

## Ness spectacles smoke

Stylish and lightweight safety glasses with wide panoramic view and smoke lenses for work use in outdoors: Sunshine, snow, sand and for marine environment. Curved design that is also suitable for users with narrower faces (women & young people). Non-slip nasal bridge. Delivered with neck cord. Can be equipped with an optional headband.

Protects eyes from harmful sun rays, UV rays and low-energy mechanical hazards (6 mm 0.86 g metal ball at 45 m / s), even at extreme operating temperatures.

High quality polycarbonate lenses. Optics class 1: Designed for all-day use. Anti-scratch and anti-fog coating on the lenses.

Smoke lens:

- Optimized for outdoor use
- Provides excellent protection from sun
- Due to the 5-3 level of shading, we do not recommend driving in traffic
