

SilverPlug[®]

Are you doing everything possible to protect your patient's implants from peri-implantitis?

SILVERAID

TOTAL IMPLANT CARE

SilverPlug[®]

Try SilverPlug[®]!

The only medical device in the world, certified for the sealing of the implant screw tunnel.

SilverPlug[®] reduces the bacterial load inside dental implants and, consequently, the risk of peri-implantitis.

- ① No more abutment stench
- ① Healthy gums: no inflammation nor bleeding
- ① Sensible reduction of crestal bone loss

**LEAVE TRADITIONAL FILLING MATERIALS
